### Goodwill Celebrates Thrifty Finds at Fashion Show

Goodwill Industries of Southern Arizona and Bellezza Models are partnering this month to showcase fashions found at Goodwill retail stores at the Bellezza Models Top Model Fashion Show Finale, 5 p.m., May 3 at the Scottish Rite.

A Goodwill truck will be on hand at the event to collect donations. On May 16, Goodwill retail stores are also holding a 50 percent off sale on donated items.

Goodwill's mission to provide training, services and jobs for people with barriers to employment is accomplished with the help of the community through the sale of donated items. Ninety cents of every dollar Goodwill spends goes toward its mission, including five adult programs and five youth programs serving the low-income population. Goodwill employs over 500 people in Southern Arizona.
